PREFERRED SUPPLIERS

Below, please find information on their most popular products

GAF - Timberline Series Shingles

Rated #1 in shingle quality by contractors and home builders

Named #1 in innovation for shingles and ridge ventilation by home builders

Named most-recommended brand by upscale remodelers

First to pass ASTM D3161 Class F (110 mph) and ASTM D7158 Class H (150 mph) wind ratings on every manufactured shingle (per UL public listing)

First to produce an energy-efficient asphalt shingle available in rich colors, called the Cool Color Series (now called Timberline® Cool Series)

Winner of the Builder's Choice Award

Premium Designer Shingles have twice received the Architects' Choice for Excellence Award

Winner of the 2011 Innovation Award for asphalt roof shingles

Winner of the 2011 Product Innovation Award for EverGuard Extreme® TPO

Tamko - Heritage Series Shingles

Heritage® Laminated Asphalt Shingles by TAMKO® (formerly Heritage® 30) have always provided years of striking beauty and durable roofing protection. Now TAMKO® has enhanced the Limited Warranty coverage on all Heritage® products with longer up-front protection, reinforcing the outstanding value they provide.

CertainTeed - Siding

CertainTeed Vinyl & Polymer Siding are qualifying products under CertainTeed's Building Solutions program, which is designed to help architects, builders and remodelers simplify product decisions and enhance the quality of their projects. Vinyl & Polymer Siding can be bundled with other CertainTeed products – including roofing, insulation, fence, decking, railing, fiber cement siding, trim, housewrap, gypsum, ceilings, pipe and foundations –to reduce project costs through discounted materials. CertainTeed offers an extensive array of educational and marketing support programs designed to help building professionals make optimum use of its products.
